

## ANTIGO TEAM IS EASY FOR LOCALS

Score 9 to 0 In Sunday's  
Game—Poor Old "Cliff" Wil-  
liams Breaks His Back

Last Sunday by the one sided score of 9 to 0 looking much like a foretold game, Beld's angels chieftains thrust the sharpened end of a harpoon into Antigo, nine separate and distinct times, while the railroad city aggregation were served with as fine a coat of white wash as was ever administered to a rival team. Pitcher Jack Henry, for the locals, twirled air tight ball throughout the contest, holding the railroad crew to four measly, stinky hits, scattered in as many innings, while "Admiral" Nelson, commander in chief of the opposition, was hit at ease in the most vulnerable spot an even dozen times.

The visiting team was accompanied by one hundred fans, swelling the attendance to the largest crowd of the season aside from the Fourth of July. Many of the local spectators came for the purpose of viewing the very unusual spectacle of a centenarian catching behind the bat. The old time "wonder", Cliff Williams, who will be remembered by some of Rhinelander "grandpas and grandmas" as having taken the count in a notable foot ball game, on the same grounds years and years ago, performed as admirably as would be expected of an aged and decrepit athlete. In the last half of the third inning, Cliff, who appears to possess everything from a keen appetite to a glass arm, sustained the added affliction of cracking his back. In the last half of the third inning, while attempting to nip a runner at third, the ball somehow sailing out in left field allowing the man to register at the counting station. Poor old Cliff sunk to the ground with a cry of pain and only arose to his feet when it was announced that not the least iota of sympathy could afford to be wasted upon him. It is said that Williams' patent adjustable backs will be placed on the market for the season of 1912 and already inquiries have come in from the houses of Reach & Spalding.

The game was featured with startling one handed stops by Indian Smith at third for Antigo, robbing Post of at least a double, while Rooney performed a similar stunt at first, cutting off at the plate the only run Antigo had a chance to score. Both Rooney and Secord added to their batting averages by securing each a double and triple.

## PLAN PRISON DELIVERY

Many dangerous weapons of different kinds were taken from the persons of the prisoners at Waupun and various hiding places about the shops Sunday afternoon, as the result of a careful search instituted under the direction of Acting Warden Daniel Woodworth.

It is the first time in eight years that contraband material of this sort has been found and the result appalling even the officers who made the search in pairs, about the prison as it evidences plans for a wholesale jail delivery.

## ATTENDS TRAINING SCHOOL

Rev. Peter Laporte, of the American Sunday School Union, will close his duties here temporarily on September 1st, to attend the Oneida County Training School. While he will not be actively engaged in organizing Sunday Schools he will still retain interest in the work of promoting the spiritual welfare of the girls and boys.

## ONEIDA COUNTY APPLES

Robert Luethy Raises Some Splendid Fruit On His Farm

Robert Luethy, one of the leading farmers of the town of Pelican, brought to the New North office Saturday six apples of the Duchess and yellow Transparent varieties which are as large and luscious as can be produced anywhere. Even the celebrated apple sections of New York and Washington would find it difficult to raise fruit which would surpass that grown on the Luethy farm. The apples are on exhibition at this office and have attracted no end of attention. Some people of a doubting nature have been inclined to dispute the fact that the fruit was raised in this county.

Mr. Luethy's orchard at the present time is small, consisting of about twenty trees all of which are bearing. He has five different varieties of apples and will make an exhibit of these at the Oneida County fair.

## ITALIANS MAY BE FURNISHED BAIL

Judge A. H. Reid Fixes Total  
Bond For Imperio and Robert  
at \$50,000

If money is all that is required to assist Tony Imperio and Phillip Robert, the Italians, to escape punishment for the slaying of Sheriff John Radcliffe of Vilas county, it is probable that they will have no difficulty in obtaining all the funds necessary. At Waupun Monday the prisoners were taken before Judge Reid and their lawyers made arguments for their admission to bail. For Imperio bail was fixed at \$30,000 and for Robert \$20,000. Permission was also given to remove the pair from the Marathon county jail and they were taken to Milwaukee, Tuesday.

Three following is taken from the Waupun Pilot:

"It is probable that they will be successful in securing bail. There appears to be a powerful organization back of them, and it is quite likely that Italian friends will come to their rescue."

"The Italians were taken to Milwaukee this noon by Sheriff W. H. Radcliffe, son of the murdered man and his deputies Jas. Oberholzer and Harry McIntyre. They will be kept there until some other disposition is made of them."

"The accused men are bad looking whelps, Robert especially."

"It is rumored that the money for their bail is ready, and only waits the formality of drawing papers. In that event the result can be imagined."

The shooting of Sheriff Radcliffe, sorrowful though it was, has borne fruit in the fact that it has opened the eyes of the officers of nearly all cities in the northern section to the danger of allowing Italians, Greeks, etc., to colonize in a community. There is a whole lot of justice in the discriminatory provisions of the immigration laws."

## A WORTHY ATTRACTION

The production of the "Cat and the Fiddle" Chas. A. Seilon's merry musical extravaganza at the Opera House last night was one of the most brilliant attractions that has ever appeared in Rhinelander. The company numbered about twenty-five people and was a high class one in every respect. The electrical and scenic effects were splendid. The chorus work was exceptionally clever and the musical numbers were of the bright and catchy order.

Manager Krueberg intends to look attractions of this quality from now on and hopes that the public will appreciate his efforts by giving him its support.

The ladies of the M. E. church will hold a rummage sale Oct. 13 and 14. Location will be announced later.

## FIRST CONCERT BY THE NEW BAND

Music Pleases The Public Last  
Evening—Auxiliary Meet-  
ing Friday

In front of the Grand Opera House between the hours of seven and eight o'clock last evening the newly organized Rhinelander band, under the direction of E. K. Riek, director, entertained hundreds of people with a very pleasing concert. The following program was rendered:

Napoleon's Last Charge.....Paul  
The Hunting Of The Snark.....  
The Home Down On The Farm.....  
Trombone Solo by Ed. Schilling.....  
The Evening Idyll.....Barnhouse  
Casey Jones—March

This concert is only one of the many which will be given by the band at various times throughout the year.

Mr. Riek is well satisfied with the interest being taken in his efforts to give the citizens of Rhinelander a first class band and hopes to perfect a musical organization here which will rank among the best in the state. The membership at the present time numbers sixteen musicians and this roster will be largely increased as the season advances.

Mr. Riek requests everyone interested to attend the first meeting of the auxiliary band at Gilligan's hall Friday evening. Anyone desiring to learn to play an instrument should be there. Don't remain away because you think you are too young or because you think you are too old. To start right get in at the very beginning and show the public that you mean business. In this way Rhinelander will soon have a band to be proud of.

## BIG EXHIBIT AT THE STATE FAIR

Public Is Urged To Contribute  
Toward County Display At  
Milwaukee

Arthur Taylor, secretary of the Oneida County Agricultural Society, has arranged for a car for the shipment of farm produce and other exhibits from this county to the state fair at Milwaukee. The car will be placed on the siding near the Northwestern freight depot, Monday, September 4th, and will be open that day for the reception of goods and remain open until Friday September 8th, when it will leave for Milwaukee. People who live at the different county towns and who desire to donate to the display can send their exhibits to this city before Sept. 5th, and the freight on such shipments will be paid by the association.

All exhibits will be handled carefully and will be in charge of a competent representative of the association.

This is a rare opportunity for farmers and others interested in the welfare of Oneida county to help boost this section before the outside public. Exhibits of all kinds raised, produced or manufactured in this county should be contributed to the state fair display. Samples of grains, grasses, vegetables, fruits, dairy products, domestic articles and etc., will assist in advertising the resources of the county and act as a magnet in drawing new settlers.

Send the association your aid in making the Oneida county booth one of the largest and most attractive of the state fair.

A son was born Monday to Mr. and Mrs. G. DeBoyle and died the following day.

## SQUARE DEAL AT ELCHO

Cubs Lose In A Good Clean Game,  
Last Sunday

The Cubs of this city were defeated by the Elcho team, 2 to 1, at that village last Sunday. It was a good, clean contest all the way through and the Cubs speak loudly of the courteous treatment accorded them by their opponents. No unfair tactics were resorted to and every decision by the umpire was fair and impartial.

During the last season the Cubs have participated in a long list of games and have had but few defeats. They have played with some strong teams and never lost a battle without a hard fight. Manager Gwilt is proud of the record of his team.

## TRAINING SCHOOL OPENS SEPT. 4TH

Free Tuition And Books Are  
Given To All Resident Pu-  
pils Of County

The Oneida County Teachers' Training School will open for its second year's work on Monday, Sept. 4th. Tuition and the use of all needed books are free to all residents of the county.

All who have finished the district schools or the eighth grade of graded and city schools can enter the two years' course. Young people who hold a teachers' certificate or who have finished the tenth grade can enter the year's course. Both of these courses lead to a three years' teachers' certificate. High School graduates also enter the one year's course, but receive at the end a five years' teachers' certificate.

The Training School is supported by the State and County jointly. What is it doing for the county? (1) It furnishes trained teachers for the schools of the county. (2) It is ready to help the teachers by advice, visits, loan of teaching material and books. (3) It tests milk and cream for butter fat. (4) It examines seeds for purity and tests them for germination. (5) It loans to farmers books, bulletins and catalogs. (6) It secures general information concerning all questions that arise on the farm. (7) It provides lectures at district school-houses or townhalls at the invitation of teachers or school officers. (8) It performs all these services free of charge.

## ATTEND AVIATION MEET

E. N. Morrill Tells of Big Air Ship  
Show at Chicago

E. N. Morrill and Thos. Gale of Bundy were at Chicago last week in attendance at the big aviation meet. Mr. Morrill, who was in the city, Tuesday, says that it was the most interesting show he has ever witnessed and one which will ever remain fresh in his memory. At one time fifteen flying machines of different types were in the air and the scene which these strange crafts of the ozone presented was wonderful. One aviator was lost from sight for two and one half hours and there was no little anxiety felt among the crowds for his safety.

Some of the machines ventured to carry passengers and many volunteers took advantage of this opportunity to sail through the clouds. Mr. Morrill declares that he has no ambition to fly and that he will continue to eat up space in his auto for a time at least.

Mr. and Mrs. Sam Johnson, Miss Lou Larson and Sam Anderson of this city were also present at the aviation meet.

## AT ANTIGO SUNDAY

The Rhinelander base ball team will play a return game with the Antigo nine at that city Sunday. It is expected that a good sized crowd of local fans will be in attendance.

## WILL CELEBRATE LABOR DAY HERE

Unions Of The City Arrange For  
Fitting Observance, of  
Monday, Sept 4th

At a meeting of the labor organizations of the city, Tuesday evening, it was decided to observe Labor Day, Monday, September 4, with one of the biggest and best celebrations that has ever marked the recognition of the day in Rhinelander.

A fitting program of interesting events has been arranged, consisting of a monster parade, picnic and amusements at Keenan's park and grand ball at the Armory in the evening.

The parade will form in line at the city hall at 9:30 A. M. and headed by the Military band will pass through the leading streets of the city to the park. All laboring men are requested to take part in the procession and merchants are asked to contribute floats.

At the park the exercises will include a picnic dinner, races and contests of all kinds and speeches by prominent local clergymen.

Those who will make addresses are: Rev. Grant Clark—"The Dignity of Labor," Father Johnson—"The Power of United Effort," Rev. Dr. Lienfelder—"Labor, A Curse and A Blessing."

During the last two years organized labor in Rhinelander has attained a remarkable growth and today all tradesmen and many classes of workers employed here are unionized. Help them make this Labor Day celebration a success.

## FRAUD AT FLAMBEAU?

J. R. Farr Makes Charges Against  
Indian Commissioner

Joseph R. Farr, formerly general superintendent of logging in the Indian service, who recently sued Commissioner of Indian Affairs, Robert G. Valentine for slander and libel, has filed with the senate and house committees on Indian affairs charges of misconduct in office against Valentine and C. F. Hanke, second assistant commissioner of Indian Affairs. Farr alleges that Valentine and Hanke have conspired with each other and with other persons for the perpetration of a fraud upon certain Indian allottees of the Lac du Flambeau reservation.

Mr. Farr has an acquaintance in Rhinelander having at one time made occasional business trips here while a resident of Phillips, Price county. His recent difficulties with the Indian Department have brought him prominently into the limelight.

## UNPLEASANT EXPERIENCE

Mr. and Mrs. Chas. Morrill Are Tossed  
Into Lake Thompson

Mr. and Mrs. Chas. Morrill came near forming a supper for the monsters of the deep while fishing in an old boat on Lake Thompson, Monday afternoon. Their craft, which is one of the familiar derelicts on the lake and has long been regarded as being none too safe, turned turtle, casting the occupants into the drink. Mrs. Morrill went to the bottom of the lake, a distance of thirty feet, and when coming to the surface was grabbed by her husband. The lady was badly frightened and Mr. Morrill was forced to use strenuous means to make her realize her predicament.

They managed to reach shore in safety and after a change of clothing were none the worse for their experience. Charley says that their escape was a narrow one and hereafter he will avoid using old boats.

Mr. and Mrs. Jackson, and Mrs. Adams were the guests of John Gilligan on a lunch trip up the Wisconsin, river, Tuesday evening.

## DANCE AT ARMORY

Non-Coms Will Entertain Next Tues-  
day Evening, August, 29

On Tuesday evening, August 29, the non-commissioned officers of Co. L of this city will entertain at a dancing party at the Armory. For this party five hundred invitations have been issued and great preparations are being carried out by the committees to make it one of the most pleasant functions ever held here. The hall will be appropriately decorated and the floor will be in first class condition for dancing. The latest dance music will be rendered by the Military orchestra. Tickets are \$1.00.

## LEROY IS COMING

Pitcher Leroy of the St. Paul American association team, has announced his intention of coming to Rhinelander at the end of the baseball season and will be prepared to accept any legitimate work and would like to have his friends here inform him of any job which may be open.

## ARMY CAPTAIN ON UNIQUE OUTING

Captain Saville And Family Of  
Fort Sheridan Come Here  
By Mule Team

A novel and enjoyable manner in which to spend a vacation period is that being followed by Captain M. E. Saville of the 27th Infantry, Regular Army, who with his wife and two children, and Private Joseph K. Smith, is making a trip through the northern Wisconsin lake region in a huge army wagon drawn by a team of Uncle Sam's mules. A third mule is used for relief purposes.

The party, which left Fort Sheridan, Ill., where Captain Saville is stationed about one month ago, arrived at Lake Julia near this city Friday and camped there until yesterday. They will spend a few days at Indian Lake and from there will go into the willows of Vilas county.

Since leaving Fort Sheridan the party has traveled over 450 miles, camping by the way whenever a favorable spot was found. Captain Saville said that the roads from Fort Sheridan are far north as Portage were fairly good, but from the latter city some exceedingly rough stretches were encountered. The officer and his family are enthused with this gypsy mode of travel and are getting all kinds of pleasure out of the experience. They are in excellent health and spirits. They will spend as much time as possible in the vicinity of Rhinelander as they think this locality is nature's paradise. They will be on the road two months longer.

Captain Saville and his curious outfit drew considerable attention on the streets of the city, Tuesday.

## BREAKS WOLF TO HARNESS

William Brown of St. John, New Foundland, who was in Rhinelander last July with his famous dog team, has broken a timber wolf to harness and is using it in place of one of his dogs which died.

Brown is completing the last lap of a five years trip around the world with his dogs. He expects to be back home next Christmas. He reached Superior, August 5, and then went north to the Canadian boundary after reaching which he turned eastward through Canada.

## NOW SUPERINTENDENT

Not so very many years ago H. H. Ober, who is now superintendent of the Wisconsin Valley division of the Milwaukee road, was station agent for the company at Minocqua. Mr. Ober's rise in the railway world has been rapid and his friends in Rhinelander are glad to learn of his success. May he keep on going higher.

## EVENTS OF WEEK IN OTHER TOWNS

### Items of More or Less Importance Boiled Down From Neighboring Exchanges

#### Crandon—

Prospects are that the big Harrington plant in this city, which was closed recently on account of a fire which caused much damage, will remain idle for some time. The capitalists in the east who are interested in the plant refuse to put any more money into the business and Mr. Harrington has not the necessary funds to continue the enterprise alone. The Keith & Hiles company may take control of the factory as this concern has an unlimited supply of timber going to waste which could be manufactured into tubs and pails.

#### Oconto—

This city is to have a new bank. Articles of incorporation of the Farmers' Bank of Oconto were approved by the commissioner of banking at Madison, Friday. The capital stock is \$30,000 and the incorporators are El. Millidge, A. M. Martineau and Philip Lightbath.

#### Couderay—

Myra Chase, an 18 year old daughter of James Chase, an engineer in the mills here, who disappeared last June, has been located at Duluth where she is living with the man

with whom she eloped. The couple according to the girl, were married immediately after her disappearance. Merrill—

Secretary Salkeld of the Chamber of Commerce is arranging to give a day for the purpose of interesting the school children to better acquaint themselves with the goods made in Merrill and to instill in them the necessity of knowing these things for their own benefit in future years. The plan will also result in causing them to boost for this city when away from home and enable them to talk intelligently on the articles that are manufactured here. The scheme has been tried in many cities throughout the country and has met with splendid success. Gladstone—

The business men of the city are manifesting great interest in the Labor Day celebration to be held here and are contributing generously toward making the event a success. It is expected that at least fifty floats and rigs will be in line in the street parade which will be the largest and most brilliant ever held in Gladstone. Florence—

Policeman Arthur Noyes of Crystal Falls accidentally shot and killed himself while carelessly handling a revolver. It is believed that while exchanging shells in the weapon one of the bullets discharged, entering his head. A wife and two children survive him. Antigo—

A summons has been served on the Eis company and the water company asking damages to the amount of \$174,045.19 by M. Krom & company and thirty-three insurance companies all of which are named in the complaint. In point of figures it is one of the largest damage suits ever started in Lantidale county. The company's plant burned on Dec. 14 last, and the complainant alleges negligence. Ashland—

The first time that the new firemen's pension law fund adopted by the state of Wisconsin legislature when a meeting of the newly organized city pension board was held and a pension of \$32.50 a month was granted to the family of William Parlow. Parlow died a short time ago from tuberculosis and under this new law a pension can be given the family of any fireman whose death is caused while at work or from disease resulting from work in the fire department. Doctors testified that contracted tuberculosis from a cold he secured at a fire one year ago and it was on this evidence that the board held that Parlow's family came under the provisions of the law. Ladysmith—

A new Catholic church and school which will be a credit to this city is soon to be erected here. The structure will be used for a church and school, will be two stories, 66x75 ft and built of brick or stone. Foster H. Irons of Superior is the architect. Washburn—

A call has been issued for a special meeting of the county board to be held at the court house in this city on Tuesday, August 25th. This meeting has been called for the purpose of discussing the question of handling county money on road improvements being made in the county and it is understood that the committee on roads and bridges of the county board will ask for many changes. Some time ago this committee made a tour of the county system of highways and it is said that they were dissatisfied with the work being done. Others in the county believe that work enough is not being accomplished for the amount of money that is being expended and the whole matter is likely to have a thorough airing when the board meets in session. Antigo—

Black diphtheria has broken out in the family of Anton Reznick on the Neva road and one of the children has died from the ailment. The authorities are exerting every precaution to prevent a spread of the disease and it is believed that no other cases will appear. Marinette—

August Clark, a Northwestern section hand, is in a hospital, the victim of the first hunting accident of the season in this vicinity. Clark was at work on the right of way where the road passes through a narrow cut in the woods and it is thought that his brown shirt attracted the attention of a band of boys who were out on a hunting trip. The bullet lodged in his chest and he was later found unconscious by members of the section crew. Edward E. Payne, manager and editor of the News, transacted business at Wausau last Friday.

**GOES TO ST. PAUL**  
Walter Trapperson, who has been catcher on the Stevens Point base ball team this season, has signed with the St. Paul team of the American association. Trapperson's work on the diamond here three weeks ago delighted the local fans. He is an all around good player.

### HAY FEVER, ASTHMA AND SUMMER COLDS

Must be relieved quickly and Foley's Honey and Tar Compound will do it. E. M. Stewart, 1031 Wolfram St., Chicago writes: "I have been greatly troubled during the hot summer months with Hay Fever and find that by using Foley's Honey and Tar Compound I get great relief." Many others who suffer similarly will be glad to benefit by Mr. Stewart's experience. J. J. Reardon.

### GOVERNOR FOR PROGRESS

Green Bay, Wis., Aug. 17.—Gov. McGovern began address before a crowd of 3,000 people at the annual picnic of the Equitable Fraternal union of the Fox river valley assembly held at Deperre park this afternoon. He intended to keep things marching forward while he remained in office and predicted the next year would be an epoch making one in Wisconsin history.

He said he believed the new board of public affairs would accomplish much in the way of reducing the cost of living. The governor told of good points he saw in the newly enacted laws—"laws that will make the government democratic and representative and that will give all people an equal chance in the race of life." He firmly believed, said he, "that the work of the last legislature will have an enduring benefit to the people of Wisconsin."

### AT PARK FALLS

Chas. Hodgdon of the Atwood Lbr. & Manufacturing company of Park Falls was in the city Saturday.

The Atwood saw mill at Park Falls closed down last week. While the mill is closed, some repair will be done besides having a new screen top put on the burner and large crew will be employed pulling dead heads out of the pond. The steam skidder has been put in commission to pull the dead heads out of the pond and it is said by men around the plant that nearly a million feet of logs will be taken from the bottom of the river. As the company has very few logs cut and ready for the mill logging operations will undoubtedly be much more active now on than they have been for some time. In addition to the crews now in the woods a new crew will be started at Camp 8, which has been idle for some months.

### CATCHES BIG PIKE

Will Record, Roy Sewell and Gilbert Forsyth fished in Lake Thompson Monday afternoon and had extraordinary luck. They caught fourteen pike, the largest of which weighed seven pounds. This prize was captured by Gil and was one of the prettiest pike taken from Ojeda county waters this season. He was greatly elated over his success.

### "THE COW AND THE MOON"

Chas. A. Sellon's "The Cow and the Moon" probably one of the biggest and most massive scenic productions in the line of musical extravaganzas that will visit here this season is announced by Manager Kruckeberg for presentation at the Opera House on Aug. 31.

It is distinctly a show of novelties, coloring of the brightest hues yet in keeping with their locale, gold and silver showers come one after another, in fact it is said to be a glorious glittering pageant. This, however, merely forms background for a story of imagination, dealing with earth beings and people from the moon that makes an evening of solid fun and laughter.

The presenting company numbers some forty or more personages headed by that imitable eccentric comedian, Ed. Gilmore of comic opera fame. His support includes the Dresden Doll comedienne, Hazel Rice, said to be the most diminutive singing soubrette on the stage today. Scarcely four feet tall, but perfect in form her cleverness is exciting the most favorable comment.

Mr. and Mrs. Erick Erikson are mourning the death of their infant son which occurred Tuesday. The funeral was held yesterday from the house.

## MORRISON---RAYMOND

Wedding Ceremony Is Performed At Ironwood, Mich., Tuesday

Miss Ruth Morrison, of Oconto, was in the city Sunday, the guest of her sister, Mrs. Henry Osborne. She left the following day for her former home at Ironwood, where on Tuesday she became the bride of R. N. Raymond. The ceremony was performed by the Rev. Father Bucholz and was witnessed by the bride's mother, Mrs. Anna Morrison of Oconto; Mrs. Henry Osborne, and Mrs. Eva Jacobs of Green Bay. Following the wedding a reception was given to a large number of guests.

Mr. and Mrs. Raymond will make their home at Bessemer where he holds a responsible position in the office of one of the large mining companies.

While a resident of Ironwood the bride was on the staff of the News-Record and occasional visits to this city made for her many friends here. Heartly congratulations are extended to her and her husband.

### NO PLACE FOR HIS BUSINESS

Life Insurance Solicitor Was Invited Into a Machine Shop to Do His Talking.

"The toughest experience I ever had in my life," said a life insurance solicitor, "was with an iron manufacturer in Troy. I knew he was wealthy and carried no insurance, so I resolved to tackle him. Upon entering his office and explaining my business, I was surprised at his friendly, even cordial greeting.

"Life insurance," he said, "well, now, that is a subject that interests me. Come with me to the shop. I've got to go there and you can tell me all about your company." Then he took up his hat and I followed him, until at last he swung open a door. It was the machine shop, and the din was terrible. Hundreds of hammers were all beating iron at once, and I was nearly deafened. Looking at my man I saw his lips move, and leaning forward, I just managed to hear him shout, 'Now, tell me all about it.' He smiled as he said this, and I saw the trick that had been played on me. It was impossible to say a word, so I marched right out of the shop and never went back."

### IN THE MATTER OF APPLAUSE

Clapping the Hands Is a Poor Method of Showing We Are Deeply Moved.

There is a place and time for manual acclamation, but it is not always in season or appropriate. It is at best a poor way of manifesting approval. A thoughtful person who has just listened to a fine performance of a symphony or a stirring apostrophe from an orator must feel that to bring one's hands together repeatedly and noisily is a lame and impotent method of showing how deeply one has been affected. But no better method, as yet, has been devised.

As a matter of fact, as there are "thoughts that do often lie too deep for tears," so there are emotions roused sometimes by the performance of music which seem to us to transcend any possible outward demonstration; we are so deeply moved that we are silenced. This result is not to be confused—as may easily happen—with a failure in appreciation. It is quite the contrary.

Applause, spontaneous and unforced, is a great inspiration to one who appears in public and through any medium is attempting to make his cause prevail or his message heard. The applause of a hired clique, the prolonged artificial enthusiasm when a standard-bearer is nominated at a political convention, is a very different matter. Applause means nothing if it is inspired by any other motive than appreciation and the desire to indicate cordial and disinterested approval.

### ARE QUIETLY MARRIED

Clarence Kirk Takes Miss Lillian Fletcher For His Bride

Miss Lillian M. Fletcher and Clarence D. Kirk were quietly wedded at the M. E. parsonage last Thursday evening. Rev. Clemens officiated at the ceremony and the young couple were unattended.

The marriage came as a genuine surprise to all of Mr. Kirk's friends in Rhineland. His bride came to this city four weeks ago to accept a position at the Kirk bakery. Previous to that time the two had never met and it was plainly a case of "love at first sight." The young lady is the daughter of Uriah Fletcher, a prominent real estate dealer of Clintonville. Although a stranger in the city she has made a most favorable impression among all who have met her.

The groom has resided in this city for a number of years and is well liked by a host of friends. He is the son of Mr. and Mrs. D. Kirk and a member of the firm of C. D. Kirk & Co.

The newly weds will make their home with his parents on King street. May happiness ever be their lot.

### NOTICE OF DRAWING

Clerk Circuit Court,

Oneida County, Wis.

### GONE TO HER REWARD

Mrs. A. Jodome Passes Away Monday After Long Illness.

Death came to Mrs. A. Jodome at the home of her daughter, Mrs. K. Ruggles, on the south side, Monday. The lady had been in failing health for the last year or more and was confined to her bed for two weeks before the end. She was afflicted with paralysis of the stomach.

Mrs. Jodome was sixty-nine years of age and had resided at the Ruggles home for three years, coming here from Wausaukee. Two daughters and two sons are left to mourn her, namely: Mrs. K. Ruggles, Rhineland; Mrs. Hubert, Chesham, Wis.; Al Jodome, Piquanung, Mich.; and Wm. Jodome, Watertown, N. Y.

Mrs. Jodome was a lady whose lovable traits of character endeared her to the hearts of her friends. Her death is received with profound sorrow.

The funeral was held from St. Augustine's church, Wednesday morning and interment was made at Forest Home cemetery.

### SEEMED TO GIVE HIM

A NEW STOMACH

Better Goods for the Same Money  
Or the Same Goods for Less Money

We are not disposed to boast, but we are mindful of the fact that our business is in a more prosperous and healthy condition than in its history, and we can only account for its growth, in the fact that square dealing, and good goods have gone hand in hand without style of trade. We have always tried the very best, and sell at the very lowest living prices, consequently we sell half of the hosiery sold in Rhinelander.

## VICTIM OF WHITE PLAGUE

John Lawrence Dies at Age of 26 Years  
Early Tuesday

After a lingering illness with tuberculosis John Lawrence died at 3:30 o'clock Tuesday morning at his home on the north side. Mr. Lawrence was afflicted with the disease for the last year or more and six weeks ago his condition forced him to abandon his employment. He had since been confined to his bed, most of the time, and a week previous to his death was taken to Lake George, where it was thought the fresh air might prolong his life.

Deceased was twenty-six years of age and a son of the late Jacob Lawrence, at one time street commissioner of this city. Four sisters and two brothers survive him.

The funeral was held this morning from St. Mary's church. Rev. Father Bertram officiated. Members of the Owl and Eagle lodges to which deceased belonged attended the service in a body. The pall bearers were members of Company L.

Sincere sympathy is given the sorrowing relatives in their bereavement.

### MINNESOTA FAIR

Great Preparations For Big Annual Exposition

As Sept. 4th grows nearer there is increased activity in all departments of the Minnesota State Agricultural Society, the officers of which are preparing to present the biggest and best fair and exposition ever seen anywhere.

Practically ten thousand premium lists have already been sent out and the favor with which they have been received is gratifying to the officers and directors and presages record breaking exhibits in every department. A larger number of entries than has ever before been received at this time of the year has already been sent in. Entries from all over the state and outside have already been received for the agricultural, county fair and school exhibits. In the horses, cattle, sheep and swine departments the most successful live stock breeders of the United States and Canada have signified their intention of being represented.

Cyclists and riders throughout the Northwest are showing unusual interest in this year's poultry show. The majority of the manufacturers of machinery and farm implements have already expressed a desire for space and many of them have secured their location on the grounds. Two or three new permanent exhibit buildings will be erected by the Agricultural Society.

Word from all parts of the state and the Northwest indicates a greater interest than ever before in the Minnesota fair and it is hard to foresee any event that will prevent the 1911 exposition distancing all of its predecessors.

### THAT CUB GAME

In the game between the Rhinelander Cubs and 3 Lakes last Sunday our boys trimmed the Cubs by a score of 5 to 1. The game was good as far as it went but in the fifth inning the Cubs seeing they were matched against too strong a team and fearing a sad defeat decided they had better quit before the score grew worse so they picked up a row which ended the game.—Three Lakes Advance.

### A REMARKABLE PHOTO

There is on display in the show case of Carl Krueger, the photographer, a group photograph of the delegates in attendance at the National Photographers' convention held at Minneapolis a short time ago. The picture is remarkable in the fact that it was taken on one film four feet in length. A panoramic camera, the largest size made, was used. Mr. Krueger can be plainly seen in the first row in the center of the picture.

### FINE BUCKWHEAT

Sam Perinier has a two acre field of the finest buckwheat seen in Oneida county in several seasons on his farm two miles from this city. The grain has attained a height of over four feet and will yield splendidly.

It is Mr. Perinier's desire to take up farming as a vocation within a few years and he believes it is the only independent life.

### BROWNE NOT AFTER JUDGE

A Waupaca dispatch states that Blunt Edgard E. Browne, brother of Paul Browne of this city, when interviewed on the seventh judicial circuit, emphatically questioned the statement that he has never been a candidate for the office. He said that he signed the petition of Byron H. Park of Stevens Point and each professes to see him appointed than anybody else.

## FLASHES FROM THE HEADLIGHT

Bits of News Pertaining To  
 The Soo and Northwestern  
 Railroads

The state railroad commission has granted a certificate of convenience and necessity to the Wisconsin and Northern Railway company, under which the road proposes to build a line from Neenah north through Appleton and Shawano to Langlade county. A certificate was also mailed to the Fairchild & Northeastern road, which will build an extension.

An increase in safety of railroad travel and employment is reported for the fiscal year ending June 30 by the Chicago & Northwestern railway. Much of the credit for the decrease in the number of persons killed and injured is ascribed to the safety committee plan, inaugurated last year, to interest officers and employees in the safety problem.

The results of the safety committee campaign for the year are disclosed in a report by Ralph C. Richards, general claim agent and also chairman of the central safety committee. This gives a list of the accidents and fatalities divided as between passengers, various classes of employees, and other persons. In nearly every class there are fewer accidents shown. The total of persons killed in all kinds of accidents was reduced from 353 to 302, 14.7 per cent, and the total of injured from 10,163 to 8,355 or 17.3 per cent.

In an effort to cut down expenses, the Soo railroad has adopted a new plan of using more powerful engines to haul long freight trains. Fewer but longer trains and consequently fewer train crews is the new order.

All business of the Soo line Chicago division and the Soo main line at Ladysmith is now transacted from one depot, the two offices having lately consolidated. One agent is in charge.

A steam shovel is now operating on the Soo line between Minneapolis and Sault Ste. Marie, filling in all concrete bridges. There are forty of these bridges to be filled in and it will take until the start of cold weather to finish the work.

### LOSS OF TIME MEANS

**LOSS OF PAY**  
 Kidney trouble and the ill it breeds means lost time and lost pay to many a workman. M. Albert 1214 Little Penna St., St. Paul, Minn., writes: "I took Foley's Kidney Pills for only a short time and got entirely well and was soon able to go back to work, and am feeling well and healthier than before." Foley's Kidney Pills are tonic in action and result in a good friend to the working man or woman who suffers from kidney ill.

### NEEDFUL KNOWLEDGE

Rhinelanders People Should Learn to Detect the Approach of Kidney Disease

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's disease, or gravel. Anyone of these warnings is enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's Rhinelander proof:

Mrs. J. W. House, 729 Dorr Ave., Rhinelander, Wis., says: "Doan's Kidney Pills have given excellent results in our family and we consider them a good kidney medicine. They were taken by a person who was suffering from backache and weak kidneys and it was not long before a cure was effected."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### TABOO OBSCENE CARDS

The following is the notice just issued by Postmaster General Hitchcock:

"Postcards that are obscene, improperly suggestive or calculated to reflect upon the character or conduct of the addresses are unmailable under Section 459, Postal Laws and Regulations, as amended by Section 212 of the Criminal Code; and it is regarded as highly improper for persons in the postal service to sell or offer for sale such cards, which if placed in the mails must be withdrawn as unmailable."

"It is objectionable also for such cards to be displayed or sold in a room in which a postoffice or postoffice station is located, and the sale of unmailable cards in a room used wholly or in part as a postoffice or station will be considered sufficient cause for the removal of the postal business therefrom. Postal employees are expected to exercise vigorous vigilance in this respect."

### NOTICE FOR BIDS

Rhinelanders, Aug. 16, '11.  
 Bids for the building of a root house at the Oneida County Poor Farm will be received by the undersigned on or before Saturday, September 2. Plans and specifications can be seen at Markham & Parker's store. The committee reserves right to reject any or all bids.

J. G. DUNN,  
 Chairman Committee Oneida Poor Farm.

### HIS PICTURES PLEASE

F. C. Kruckeberg put on two first class moving picture shows at Lac du Flambeau and Arbor Vitae, Sunday and Monday evenings. Large audiences witnessed both performances and were immensely pleased. Mr. Kruckeberg intends to give shows at these villages regularly from now on.

### FARMERS' INSTITUTES

## BIG APPLE SHOW

At Milwaukee State Fair On Sept. 12 to 16

The State Horticultural Society will conduct an apple show at the State Fair, Milwaukee, September 12 to 16.

On account of lack of space in the Horticultural Building the Board of Agriculture will provide a large tent which will be prominently located. Secretary F. Craneheld, of Madison, who will be in charge, outlines the exhibit as follows:

The exhibit will comprise the following features:

1. Leading varieties for commercial orchards shown in bushel boxes and barrels. Of these Duchesse, Wealthy, and McIntosh will be given preference.
2. County exhibits: several of the most important fruit counties will have individual exhibits.
3. Varieties adapted to home orchards shown in quantity.
4. Plates, a miscellaneous exhibit including specimens sent by persons who think they have the best, all to be shown under grower's name, but not to compete for premiums.
5. Pears, plums, grapes and any other fruit available.

The exhibit is designed to show the resources of Wisconsin as a fruit state and especially the northern part. "We hope that everyone interested in the future of Wisconsin will help make this fruit show a success by contributing something."

Fruit ready for shipment previous to September 5th should be sent prepaid, to the Milwaukee Cold Storage Company, 61 Reed Street, Milwaukee. Each specimen should be carefully wrapped in paper and boxes packed tightly to prevent bruising. Write to Secretary Craneheld for further information.

## HALF A MILLION ACRES OPEN TO SETTLEMENT

President Taft has proclaimed the opening of the Rosebud Reservation in Mellette County and the Pine Ridge Reservation in Bennett County, S. Dakota. The Great Progressive Weekly

There are many reasons why you should read what it says 52 times each year. It is free to tell the truth. It will oppose the encroachment of special privileges upon the people's rights. It will call the roll on public men and measures and inform you how your congressmen work and vote. It will criticize the executive branch of government from the highest to the lowest, if in its judgment the people's interests are not protected. It will spread the gospel of ideal home life through the Women's Department. It will be conservative when good things are to be conserved, and radical when bad things are to be exposed.

#### ERSKINE ON SCARLET LETTER

Hawthorne's Masterpiece Great in its Universal Theme, Elevated Tone and Simple Treatment.

The greatness of the story lies in its universal theme, its elevated tone, and the extreme simplicity of its treatment. The theme is the effect of sin upon the soul that commits it—especially of secret sin, since Dimmesdale's experience makes the tale. All the characters are noble, as in a Greek story—strongly developed in themselves, and holding high position in the community, so that their experiences are large and important, as many critics have remarked, like the heroic adventure of Attie tragedy. This resemblance of tone is increased by the sense of destiny and retribution in the romance, dark and inexorable as ever the will of the gods was imagined by ancient poets.

It is a kind of impertinence to speak of the technical greatness of such a masterpiece as "The Scarlet Letter." Yet the reader would be indeed thankful who failed to note how much of his pleasure is in the solemn, musical cadence with which the story moves. The lofty manner extended even to the dialogues, so that the varied characters speak alike in a somber eloquence permissible in romance.—Erskine: "Leading American Novelists."

#### WHY LOANS ARE NOT LENT

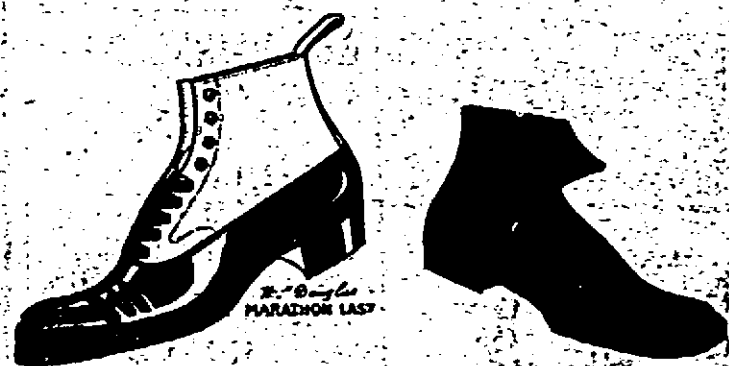

Nowadays the Exchange is Not to Relieve the Necessitous and the Improvident.

Why is it banking houses always "loan" their huge sums of money, never by any chance "lend" them? "Lend" is the true verb, while "loan" was exclusively the noun. How came it about that "to loan" has uniformly supplanted "to lend"?

The purists make a great fuss about this. They insist that the stupid and untaught financial world has fastened upon the language a substantive verb when no new verb was needed; when the ancient and established usage was fixed in the signification of "to lend." But prior to the modern development of business enterprise, when money was lent it was bestowed upon the borrower either for temporary use without compensation, as a mark of favor or patronage, or by the professional money lender who, taking advantage of persons in extremities of need, demanded ruinous interest. This Anglo-Saxon verb today retains its ancient connotation. When it was coined the productive powers of money were unknown, and the wealth of rich men was locked up for safety and kept out of the channels of commerce. Nowadays, by devices of credit and rapid intercommunication, it is kept constantly working in productive enterprises. Immense loans are made, no longer to relieve the necessitous and the improvident, but to stimulate industry and to enable the borrower as well as the lender to reap a profit in his transactions. Money is "loaned" in this sense. It is not lent.

Not a Society Item.

Husband (reading the paper)—"I see that Prince Harold is dead." Wife (an Anglomaniac, inexpressibly shocked)—"Is it possible? It seems too sad for anything. What was the cause of his death?" Husband—"He trotted a mile in 3:34, and then died of blind staggers."
